# FROM **Us** TO YOU!

Us reporter Danielle Garlock recently met JAY-Z, who she described as "a great, down-to-earth guy," at the opening of his new 40/40 Club at the Palazzo in Las Vegas.

Dear *Us* reader, *New York* magazine says of today's designers, "It's not enough to live in the pages of *Vogue* anymore; you have to inhabit *Us Weekly*." Indeed, that nexus of Hollywood and fashion influences what you see (and buy) in *Us*. But this week, you'll have to imagine stars on the Golden Globe red carpet. One morsel? We snagged Gwyneth Paltrow's \$280,905 Valentino frock.

**CORRECTION** In the January 21 issue (Hot Stuff, page 47), we incorrectly reported that Katie Holmes will run the Boston Marathon. A marathon rep says, "We have not been contacted." *Us* regrets the error.
